

Hi! I'm Esthefany Olayo and I want to Say my reasons for what I want to work in this company.

---

I really like that you make for this persons in here the social help is my passion for this thinks, I decide be a lawyer.

Return to work: In mi experience in others work's:

I know does the whole process of trial.

My experience always is more administrative because I work for 3 years in customs reviewing the laws of the goods. Doing certified of deposit in wineries

I studied in LAMAR Universidad de Guadalajara in Mexico. after of this i does a master's degree in the Universidad de Chile. In this place I graduated of the teacher in Derecho Internacional is why want this job.

I really want to help immigrants in this situation because nobody respects their rights when they only come here for better life for them and their families.

Thank You for the Attention.

I'm waiting for you answer.

Best regards!!!
