The teacher Mauricio

INTRODUCTION

Mauricio Arreola is a teacher of school number 24 and is skilled in climatology. Currently it has a section on the news channel, the building of the channel 12, where it is presented to give the weather forecast early in the morning.

DEVELOPMENT

To teacher likes to read the diary in the morning and have a cup of coffee with his colleague Alberto Hainstain and his best friend, the graphic designer, Cesar Olvera.

Cesar believes to be a skilled in the weather environment, and it bothers (each the weather is cloudy), his friend Mauricio; saying the phrase "looks like rain, the sky is clouding". The teacher bothers with Cesar and they begin to discuss. But it has taken so fond Cesar that even what has come to be estimate. Cesar is a 25-year-old graphic designer and had the opportunity to study in the building where the teacher teaches Mauricio.

The teacher Mauricio plans to get back to his village in Queretaro. To perform a journey of research. Even already has the date marked on the calendar, the day he made his journey. Will be on May 21, the date on which his mother died at his 68 years old. For the teacher Mauricio it has been a devastating experience, since he was in Mexico City working on the building of the channel 12. Even planned to surprise the day of his birthday would be on July 12, the calendar date that would go to see her. Unfortunately for Mauritius, did not have the opportunity to get back.

Unfortunately or fortunately for him, his journey was delayed, because at that time there was a storm over Queretaro. It was a very sad day that was marked on the calendar. His mother died when he fell from the third floor of a building, the report appeared in the diary. They found two days after the storm. Mauricio had the opportunity to say goodbye to her on the phone, days before to get back to Queretaro.

His friend the designer had the opportunity to meet him while the teacher read the diary one day early, while drinking coffee. Cesar recalls the environment between teacher and he. The environment was sad at first but full of laughter and guffaws at the end. Cesar is a very cheerful person and if you like to discuss with his friend, Cesar Mauricio knows that going to estimate lifetime.

CONCLUSION

The teacher and skilled in relation to weather, Mauricio Arreola currently has a phrase that says: "If the sky is cloudy, does not necessarily mean that fence to rain". And his friend says designer each beginning to discuss the weather.
